

Social® Cushions

Choose between four cushion options for Social® that provide additional comfort and warmth, without compromising the original design of the chair. The cushions elevate the sitting experience, making it even more comfortable and inviting. All options are removable, making it easy to accommodate Social® to any setting – from the everyday breakfast to late night dinner parties.

The cushions are available in a variety of vibrant upholstery options from Kvadrat and leathers from Sørensens, ensuring a diverse selection to suit any space and style.

Firm Cushion

Firm Cushion

A classic seat cushion with foam filling provides elevated comfort and additional warmth.

The cushion features a smooth surface which remains unchanged after use. The cushion is shaped to fit the curved seat. Place it with the Varier tag positioned centred against the backrest for a perfect fit.

Soft Cushion

A soft seat cushion filled with fiber offers a voluminous and unpretentious look.

The fiber version of the seat cushion has an inviting presence and elevates the sitting experience. The filling is airy and light, and might compress after prolonged use. The initial look and feel is easily restored by giving it a good shake.
